## Memorandum

DATE: January 15, 2019  
TO: Rafael Padilla, Chief of Police  
Jarod Kasner, Assistant Chief-Support Services  
FROM: Sheila Knapp, Support Services Manager  
RE: Retirement Memo July 1, 2019

---

I would like to submit this memo as notification that I am retiring July 1, 2019.

I will have served the City of Kent Police Department for 34 years as of June 3, 2019. I have worked hard to build relationships and engage staff to be the best they can be. I have enjoyed most of my time here having been supervised by many different staff over the years. I have served four Chief's while working for Kent Corrections for the first 21 years of my career and 13 years as Support Services Manager.

The people make this place what it is and they will continue to be a great part of what makes this department the best place to work.

Thank you for the opportunities I have had, I will remember all the crazy stuff fondly.

Dear Sir,

I regret to inform you that I am tendering my resignation effective today 04/22/2019. It has been an honor representing the City of Kent at the academy and in the community. I unfortunately have many personal life issues I need to address before continuing my career in law enforcement. I am greatly honored to have been selected by you and your department for this opportunity.

Thank you again for your generosity and professionalism.

Respectfully,

Re: Employment Offer

Dear Mr. Sloan;

Congratulations on being hired as a Probationary Police Recruit Officer for the Kent Police Department. We are looking forward to working with you and know that you will have a great deal to offer the Department and the City of Kent.

This letter is to confirm our recent offer of employment. Your employment with the City will be effective Wednesday, May 1, 2019. Upon receipt of this letter, please call Training Sergeant Michael Schanbacher at (253) 856-5841 for details on your duty assignment. You will be receiving an email from NeoGov with a link to activate your City of Kent Onboarding account. Please notify HR Recruitment at (253)856-5270 if you don't receive the link within three business days of the date of this letter. It is critical that you set up your account to review new employee information and complete all checklist tasks as assigned prior to your start date. We anticipate this process will take you approximately 15 minutes.

You have been scheduled for a new employee orientation on Wednesday, May 1, at 10:00 AM with the Benefits staff in Human Resources. Please bring document(s) required by government regulations for all new hires providing proof of your eligibility to work in the United States, which you will need to complete your I-9 form. A list of acceptable documents can be found on your Onboarding portal. Please report to the Hiring Unit at the Kent Police Department at 8:00 AM and contact Recruiting Officer Wayne Graff who will facilitate your first day including a 9:00 AM appointment with Multimedia to have your City access card photo taken.

Your starting base salary will be at Recruit Step A, at \$5,709.00 per month. You will be eligible for a step increase on the first of the month following graduation from the Basic Law Enforcement Academy. You will be placed on probationary status for 12 months following successful completion of the Basic Law Enforcement Academy. All other benefits will follow your union contract. Upon your successful completion of probation, you are eligible for a training opportunity of your choosing within the prescribed parameters (up to \$1,000, up to one week, in-state, and job related) to further your professional development.

If the terms of this offer of employment are acceptable to you, please so indicate by signing on the acceptance line and returning one executed original to Recruiting Officer Wayne Graff at the address listed above.

Again, I look forward to having an individual of your qualifications as a member of the Kent Police Department.

Sincerely,

Rafael R. Padilla

Good Morning Sir,

I regret to inform you that I am resigning from the department effective immediately. I found that I thought the job would be different than what it actually was. I found the schedules to put a severe strain on my family relationship. I also had no experience in the police field and did not know what to expect. I found the job to be very exciting in the beginning, but as of this last FTO block I found myself not excited for the job anymore. I do not want to become a burned out officer that does not care about the call and do not want myself or another to be hurt because of lack of excitement. It took much discussion with the family and close friends to come to this decision. I want to thank you and the department for giving me the opportunity to become a police officer. I will miss the department and the atmosphere that is created there.

Thank You,
